

Antioch Dollar Days to bring relief

In an effort to move out their winter merchandise and help cure the winter blahs for Antioch residents... Area merchants will hold their annual Dollar Days Feb. 21-23.

The purpose of the sale is to "kick off the spring shopping season," by drastically reducing the prices of winter merchandise,

said Dave Waters of Barnstables on Main Street.

Stores are beginning to receive much of their spring merchandise and so merchants need to make room for the upcoming season.

This year's Dollar Days promises to attract more shoppers than in the past because

of more cooperation and involvement from more people than ever before, said Larry Hanson, retail chairman.

"There will be more interest because people are more aware of it," said Hanson.

The enlightenment is due, for the most part, to better cooperation with newspapers

and over-all better advertising, said Hanson.

"There's plenty of winter merchandise left for people to come and take advantage of," he said.

So for all of you suffering from that dreaded of all winter illnesses, cabin fever, your medicine is waiting.

FIFTEEN CENTS

Keeping hydrants clear a necessity

The Antioch Volunteer Fire Dept. reminds area residents to keep nearby fire-hydrants clear of snow.

Keeping the hydrants clear is a necessary safety precaution, according to Chief Investigator Wayne Parthun.

Area businesses are also reminded that if hydrants in front of their establishments are intentionally covered (through shoveling of sidewalks) they will receive a ticket.

The fire dept. will conduct fire safety

classes at Antioch Community High School, Thursday, Feb. 21.

Starting three years ago, the classes are designed to teach safety to freshmen health classes.

That evening, the fire dept. will also conduct a safety program for the residents of the Milview Manor Senior Citizens Center. The talk, to be on life safety and apartment safety will begin at 7 p.m.

Teen Center to open for area students

For many Antioch teens, Friday nights are a time for catching a newly-released horror flick, bowling a few at the Antioch Bowl or wasting time trying to think of something new to do. Just how many movies can teens see or games can they bowl before becoming bored?

A Teen Center, sponsored by the Antioch Rotary Club, will offer relief from this boredom with a dance for area teens, each Friday night at the V.F.W. Hall on North Ave. The first dance will be Friday March 15, in celebration of St. Patrick's Day.

Sandy Pomrening and Wayne Parthun, coordinators for the center, held a meeting Feb. 14, which interested ACHS students attended, giving input to get things started. Pomrening and Parthun have put a lot of time, energy and genuine interest into forming the center.

"Many adults have already volunteered to chaperon the dances," said Pomrening.

The students voted not to have a formal board but simply to work together in this effort.

Between 10-15 students will run the program, reporting to Parthun and Pomrening who will then ask for input from

the volunteer parents.

The dances will be \$2 at the door and a student ID card must be shown. The money made will go directly back into the center to help pay for disc-jockeys, food and other expenses.

"The Rotary Club will fund the center until it is self-sufficient," said Pomrening.

All ACHS students and other high school-aged Antioch residents may attend. Center functions will be open to graduating seniors this summer but not to entering eighth graders until after they actually begin high school.

"We can plan other types of activities as long as we get the parents to chaperon," said Parthun.

Other activities are hoped for the future; as funds allow, said Pomrening. If attendance is excellent, the dances will continue through the summer, if not June 7 will be the last until school begins in the fall.

The students have already voted on hiring a DJ for the dances because they feel a live band wouldn't provide the music they most want to hear. Committees for decorating, clean-up, food preparation and more will be decided at the next meeting.

Bank to give mortgages

The First National Bank of Antioch held a brunch for local realtors, Feb. 14, to let them know that "First National is back in the mortgage market," said Carolyn Van Patten, assistant vice president of the bank.

"We'll be able to get a buyer into almost any type of program they qualify for (through the Small Business Administration (SBA) program," said Van Patten.

The SBA program helps "businessmen who are semi-successful and want to expand," said Clark Kepplinger, senior vice president of First National.

Ted Axton, president of First National, hopes that local realtors are "all as hungry for business as some have this morning been ravenous for breakfast."

Axton feels that in many ways bankers and realtors jobs go hand-in-hand and the most fun for both is helping people to find a home that's right for them.

The primary investor in the program is Northwest Mortgage Corp.

Weekly rate sheets will be delivered to interested realtors.

Ice derby success: minus the money

by LEE ANN MACKULIN

Ignoring the bitter temperatures with hopes of walking away \$10,000 richer, over 10 thousand fishermen participated in the Northern Illinois Conservation Club-885 Civic Club Ice-Fishing Derby Feb. 9 and 10.

Unfortunately for the participants, none of the 'tagged' fish were caught. Previous to the derby, three \$10,000, six \$2,000 and 18 \$1,000 fish were tagged and dropped in Petite, Fox and Channel Lakes. The participants did, however, come away with some very notable catches.

A 28 inch, 8 3/4 pounder caught by Altergott Barrington was the biggest catch of the day; a 14 inch striper was caught by Daniel Mattioni, Antioch; a 14 1/4 inch bass was caught by Jim Korn, Lindenhurst; a 9 3/4 blue gill was caught by George Zurich, Riverdale; a 32 1/2 inch northern was caught by Jim Rockow, Antioch; a 9 3/4 inch perch was caught by Ron Lowery, Ingelside; a 10 inch bullhead caught

by Bill Bossahl; a 13 1/2 crappie caught by Bob Fulton, Wauconda and an 18 inch catfish caught by Mark Kaberline, Chicago.

"There was an excess of three thousand people fishing at a given time," said Chuck Kempf, owner of Kempf's Resort on Petite Lake, Antioch.

Around nine thousand tickets were sold for the tagged fish, generating \$12,000. The proceeds will go back into the area for conservation needs.

"The crowds held back on Sunday, because of the weather," said Kempf.

Many, however, withstood the temperatures and conditions. These fishermen know how to dress for two days on the ice:

"It's warmest dressing in layers of clothing with something wind-tight on top," said Kempf.

Jaycees form new chapter

by DEBBIE HORVE

The Antioch Jaycees in cooperation with the Illinois Jaycees are working to reactivate the Grayslake chapter of the Jaycees.

A meeting will be held at 7 p.m. on Tuesday, Feb. 26 at the Grayslake Community room. The purpose of the meeting will be to induct members and elect officers.

The Jaycees are open to men and women 18 to 35 years old. Twenty people are needed for the chapter to be recognized by the National Jaycees.

The Grayslake Jaycee chapter folded one to two years ago according to Matt Branyik, president of the Antioch Jaycees. "There are quite a few old Jaycee members left in town, Ross Zanzucchi was the past Jaycee president. There is still money left from the old Jaycees," commented Branyik, "It's just a question of getting the people together."

The Jaycees are predominately a community organization. "Members also get a lot in individual development and in management training," said Branyik.

Members must run the chapter themselves and abide by all business laws, Branyik feels this is good training for management. Individually there are many programs for development. Some of these include workshops for stress management, personal dynamics and public speaking.

The Jaycees tries to identify what needs to be done in its community and does its best to accomplish these things.

The Antioch Jaycees began holding blood drives before they were common, have begun a conservation education program, help run Fourth of July programs and give vocational scholarships, according to Branyik.

The Jaycees are the fourth largest contributor to the Muscular Dystrophy Association and fund Camp New Hope, a campground for the physically disabled.

"There is a lot a Jaycee chapter can do for a community. We are only limited by our imagination, I only hope we can get the ball rolling," concluded Branyik.

Inconsistent Antioch to face Blue Devils

by MIKE PRAMSHAFFER

The Antioch High School Varsity Basketball team will try to improve on its consistency when it travels to Warren to play the Blue Devils on Friday, Feb. 22 and then hosts Stevenson on Saturday, Feb. 23.

The Sequoits are presently tied with Mundelein and Stevenson for fifth place in the North Suburban Conference with a 7-9 record (9-13 overall).

Warren is in fourth place with a 12-4 mark and is coming off a double-win weekend with victories over Zion-Benton (51-36) and Lake Forest (61-41).

Stevenson is also coming off a double-win weekend, as they defeated North Chicago 74-70 and Fenton 83-48.

The inconsistent Sequoits

began the weekend with a 68-54 loss to lowly Fenton.

The first quarter was even as the Bison led 17-16, going into the second period. The second period, which was the killer for Antioch, saw Fenton outscore the Sequoits 19-12 for a 36-28 lead at the half.

Antioch couldn't come back from that early deficit as Fenton outscored the Sequoits once again in the third period 13-8 to take a 49-36 lead going into the final stanza.

The fourth quarter was the same as all the rest. Fenton outscored Antioch 19-18 for its second conference win of the year 68-54.

Senior Joe Keim played a strong game for Antioch as he scored 22 points. Junior Dave Grindley was the only

other Sequoits to reach double figures with 10 points.

The Sequoits then turned around and defeated third place Zion by a score of 63-40.

Antioch outscored the ZeeBees all four quarters for the 23-point victory.

The Sequoits jumped out to a quick 18-8 lead at the end of the first period and extended that lead to 33-18 at the half.

The third quarter was a low-scoring one as the Sequoits only put nine points on the board to Zion's seven.

Antioch outscored the ZeeBees 21-15 in the final stanza for the 63-40 win.

Keim, one of the county's most underrated players, once again led the Sequoits in scoring with 21 points, while Grindley chipped in with 10.

Jaycees celebrate success

The Antioch Jaycees, along with the rest of the U.S. Jaycee Women, celebrated years of success last week during National Jaycee Women Week.

The Antioch chapter has been active in the community for five years. The executive Board includes: Kathleen Kennedy, Georganna Kovanda, Linda Moore, Debbie O'Connor, Linda Guiseffi, Janice Ledford and Ginette Salonen.

U.S. Jaycee Women's President Doris Gosnell, Lexington, N.C., said, "through individual development and community ser-

vice we develop as leaders, becoming America's tomorrow."

The Jaycees across the United States include 56,000 members in 3,000 communities all between the ages of 18-35.

The Jaycees support such foundations as St. Jude Children's Hospital, Cystic Fibrosis, Muscular Dystrophy, Governmental Affairs and Today's Woman Program.

The Antioch Jaycee Women are currently working on their annual Bowl-a-thon to be held March 3.

Student Receives Scholarship

Donald Krojenek, Antioch, was among 25 Chicagoland students to receive a \$1,000 scholarship from the University of Wisconsin Club of Chicago.

All UW graduates and their friends are invited to the UW Club of Chicago's annual scholarship fundraiser to be held Feb. 22 from 6-9 p.m. at the Kenilworth Club, 410 Kenilworth Ave., Kenilworth.

The fundraiser is featuring the Wisconsin Singers, a group of 22 musically talented students from UW-Madison, honoring the late Martin P. Below of Glencoe, who served as chairman of the club's scholarship trust for many years.

The event will offer cocktail buffet with a cash bar from 6-7:30 p.m. with the show from 7:30-9 p.m.

During intermission, a newly established \$2,000

scholarship, in Bellow's name, will be unveiled and a drawing for a weekend trip for two, to a sunny climate, will be held.

All proceeds from the event will go to the Scholarship Trust Fund. Each \$25 donation is tax-deductible. Deadline for reservations is Feb. 18.

For further information about the event and the scholarship fund, call Barbara Arnold at 549-2254.

Students named scholars

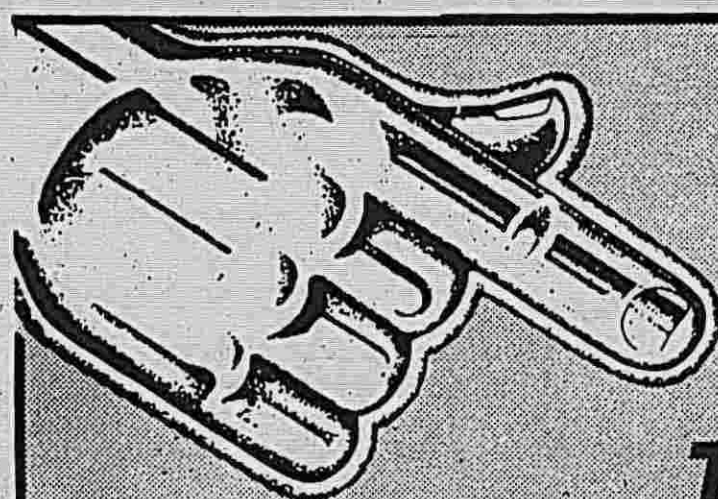

The Illinois State Scholarship Commission recently announced the 1985-86 state scholars. Of this year's scholars, 18 are students at Antioch Community High School. Although program participation by high school students is voluntary, nearly all Illinois' top students elect to have test scores and high school class rank sent to Ill. State Scholarship Commission for consideration in the popular program. About 10 percent are

named state scholars and receive a certificate of merit for the accomplishment.

To enter, high school students were required to take the ACT or SAT examination during their junior year, having the scores sent to ISSC. Selection of scholars is based on a combination of their test scores and their class rank at the end of the junior year. Nearly all will continue their education after high school.

NEW CENTER—Wayne Parthun discusses with ACHS students, ways of making the Teen Center, to be located in the V.F.W. Hall, North Ave., better for everyone at a meeting Feb. 14. The center will provide a place for Antioch teens to hold dances and other events.—Photo by Lee Ann Mackulin

St. Peter to hold family day

The St. Peter Parish will, on Sunday, March 10, hold their seventh annual "Family A'Faire" from 1-5 p.m. in the St. Peter Social Center. The event is sponsored by seventh grade students and their parents.

The 'picnic-like' atmosphere of the day will include athletic performances by all of the students, family participation in special events, raffles and some very special attractions.

Food and refreshments will be available throughout the day. In an effort to stress the strength of the 'family-unit', all are welcome...from toddlers to grandparents. A donation of \$1 for adults and 50 cents for children is being asked. Those who have participated in the past are invited to participate once more and residents that haven't are urged to come and be included on this fun-filled day.

Women of the Moose plan future projects

The January Women of the Moose meetings were well attended despite sub-zero weather.

Child care committee chairman, Barbara Gesiakowski presented checks on behalf of the committee to senior regent Peggy Learmont to be for-

warded to Moose heart headquarters.

The enrollment of two members highlighted the evening. With these additions, the membership quota set forth by the

Mooseheart was attained for the chapter year which ends June 30, 1985. The announcement was followed by much enthusiasm.

At the business meeting, minutes of the previous

meetings were read by recorder Terry Smallwood. The audit of the second quarter was also read as well as the correspondence. Upcoming projects were announced. Ritual practices

for Chapter Rally Day, March 3, were stressed. The publicity committee is sponsoring a sock-hop, Feb. 16, 8 p.m. A Polish-Fest, sponsored by the membership committee, will be March 2 to

include dinner plus singing along with Pete Raith and dancing.

For more information contact Judy Page at 395-1709 or 395-5710.

There's a burglar in your basement.

It's no stranger.

You let it in. Trusted it.

Relied on it. Basked in the warmth it provided for years. And for years, it's been robbing you blind.

You see, all gas furnaces waste money. And most of them waste a lot of money. Because most gas furnaces only work efficiently when the outside temperature is at or below freezing.

But here in northern Illinois, it doesn't get that cold nearly as often as you might think. Just thirty-six percent of the time between fall and spring.

Which means that the other sixty-four percent of the time, almost two out of every three hours, your furnace has to do a lot of stopping and

starting. And like a car, that wastes a lot of gas. Almost half of every dollar's worth of natural gas you pay for.

An electric heat pump, on the other hand, wastes nothing.

Because unlike the gas furnace, it burns nothing. Creates no heat from scratch. It simply takes the heat from the sun that's already in the air outside and brings it inside.

And unlike the gas furnace, an electric heat pump is most efficient when the temperature is above freezing. So efficient, in fact, that it gives you more BTUs of heat than you pay for, not less. Twice as many, on average.

Considering it can do that most of the time, two out of every three

hours, it makes a whole lot of sense to add a heat pump to your forced-air system. Especially since it can do one other thing your furnace can't.

It can reverse itself in the summer and become a central air conditioner. Just by flicking a switch. Look into it.

Send for *Lower Winter Bills with an Add-On Heat Pump* to: Energy Information, Box 767, Chicago, Illinois 60690.

Anything else is a crime.

**The Heat Pump.
It heats. It cools. It saves.**
